

Let's Get Riled Up!

Let's Get Riled Up for great rewards every time you buy CertainTeed's SoftTouch™ sustainable duct wrap insulation and ToughGard® R from June 1 to August 31, 2017.

Reward #1 — Performance you can trust

CertainTeed SoftTouch duct wrap offers outstanding thermal properties that reduce unwanted heat loss or gain and condensation during system operation. A softer, low-itch product that's installer-friendly, SoftTouch provides energy savings and improved system performance. Made with a plant-based, formaldehyde-free organic binder, SoftTouch is GREENGUARD® certified as low emitting.

ToughGard R rotary duct liner offers outstanding thermal and acoustical performance. Featuring a tough, durable airstream surface containing an EPA-registered antimicrobial agent to help reduce the potential of microbial growth, ToughGard R absorbs unwanted crosstalk and equipment noises while helping to lower HVAC operating costs by reducing heat gain and heat loss in duct systems.

To participate, please contact your local Riley Sales Representative:

SAINT-GOBAIN

Reward #2 — Visa® pre-paid card

**To thank you for your business,
we're offering a special reward.**

For every roll of CertainTeed SoftTouch and ToughGard R sustainable insulation you buy between June 1 and August 31, we'll deposit a reward into a special Visa® debit card account as follows:

- \$2 per roll of SoftTouch
- \$5 per roll of ToughGard R

No redemption form is needed; we track your purchases and you reap the rewards.

When the promotion ends, you'll receive a Visa debit card with your payback dollars already loaded, ready for you to spend wherever Visa is accepted (must use within 180 days of receipt).
